

Gamlingay Community Centre

Equality Opportunities Policy & Procedures

The trustees and management of Gamlingay Community Centre (GCC) acknowledges that the United Kingdom is diverse in culture race beliefs and religion and believes that no individual or group of people should receive less favourable treatment on the grounds of gender, age, colour, race, nationality, racial or national origins, cultural heritage, disability, marital status, social background, sexual orientation or geographical location. The GCC Trustees and Management acknowledge that members of these groups are often under-represented, exposed to prejudice and stereotyping, and suffer various disadvantages with our society.

The purpose of this Policy Statement is to set out clearly and fully the positive action that GCC Trustees and management intend to take to combat direct and indirect discrimination in employment policy, management of the organisation, relationships with other bodies, and the services it provides to the community, community organisations and individuals.

GCC Trustees and management are committed to providing equality of opportunity in all areas of its work. It aims to overcome discrimination on the grounds mentioned above. The GCC Trustees and Management recognise that positive steps need to be taken to ensure equality of provision in areas of representation, service provision, membership and access and will take action to make this policy effective.

GCC Trustees and Management gives the following specific commitments:

- **Disabled** – GCC Trustees and Management recognise that the legislation applies to persons who are not apparently disabled or ill. Where reasonably practical, the GCC Trustees and Management will aim to widen accessibility by removing barriers which make it difficult for people with
